CHAPTER 1 – CIVIL ADMINISTRATION

Article 1 – City Administration

SECTION 1-101: CORPORATE EXISTENCE

The City of Hickman, Nebraska, is hereby declared to be a city of the second class and shall be governed in all respects by the laws regulating cities of the second class.

SECTION 1-102: SEAL; OFFICIAL CORPORATE

The official corporate seal of the City shall be kept in the office of the city clerk, and shall bear the following inscription: "Seal, City of Hickman, Nebraska." The city clerk shall affix an impression of the said official seal to all warrants, licenses, permits, ordinances, and all other official papers issued by order of the City Council and counter-

signed by the said clerk. (Neb. Rev. Stat. §17-502)

SECTION 1-103: BONDS; BLANKET BOND

A. Official bonds of the City shall be in form, joint and several, and shall be made payable to the City in such penalty as the City Council may set by resolution; provided, the penalty amount on any bond shall not fall below the legal minimum when one has been set by the State of Nebraska for each particular official. All official bonds of the city officials shall be executed by the principal named in such bonds and by at least two sufficient sureties who shall be freeholders of the county, or by the official as principal and by a guaranty, surety, fidelity, or bonding company; provided, no city official, while still in his official term of office, shall be accepted as surety on any other official's bond, contractor's bond, license bond, or appeal bond under any circumstances. Only companies that are legally authorized to transact business in the State shall be eligible for suretyship on the bond of an official of the City.

B. All said bonds shall obligate the principal and sureties for the faithful discharge of all duties required by law of such principal and shall inure to the benefit of the City and any persons who may be injured by a breach of the conditions of such bonds. No bond shall be deemed to be given or complete until the approval of the City Council and all sureties are endorsed in writing on the said instrument by the mayor and city clerk pursuant to the said approval of the Council. The premium on any official bond required to be given may be paid out of the General Fund or other proper city fund upon a resolution to that effect by the City Council at the beginning of any city year. All official bonds meeting the conditions herein shall be filed with the city clerk for the official records, and it shall be the duty of the clerk to furnish a certified copy of any bond so filed upon the payment of a fee which shall be set by resolution of the City Council.

C. In the event that the sureties on the official bond of any officer of the City, in the opinion of the City Council, become insufficient, the Council may, by resolution, fix a reasonable time within which the said officer may give a new bond or additional sureties as directed. In the event that the officer should fail, refuse, or neglect to give a new bond or additional sureties to the satisfaction and approval of the City Council, then the office shall, by such failure, refusal, or neglect, become vacant, and it shall be the duty of the Council to appoint a competent and qualified person to fill the said office. Any official who is re-elected to office shall be required to file a new bond after each election. (Neb. Rev. Stat. §11-103 thru 11-118, 17-604)

D. All surety and other bonds required by city ordinances or by Nebraska law for city officials may be provided by the purchase of a blanket bond, undertaking or equivalent insurance. The City may pay the premium for the bond or insurance coverage, which shall be, at a minimum, an aggregate of the amounts fixed by the law or by the City Council requiring such bond or undertaking and on such terms and conditions as may be required. (Neb. Rev. Stat. §10-201 through 10-411, 10-606 through 10-612, 11-204, 12-1001, 17-529.08, 17-534, 17-905, 17-908, 17-911, 17-939, 17-958, 17-968, 18-1801 through 18-1805, 233513, 39-836)

SECTION 1-104: OATH OF OFFICE; CITY OFFICIALS

All officials of the City, whether elected or appointed, except when a different oath is specifically provided herein, shall, before entering upon their respective duties, take and subscribe the following oath, which shall be endorsed upon their respective bonds:

"I, _____, do solemnly swear that I will support the Constitution of the United States and the Constitution of the State of Nebraska, against all enemies foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, and without mental reservation, or for the purpose of evasion; and that I will faithfully and impartially perform the duties of the office of _____ according to law, and to the best of my ability. And I do further swear that I do not advocate, nor am I a member of any political party or organization that advocates the overthrow of the government of the United States or of this State by force, or violence; and that during such time as I am in this position I will not advocate, nor become a member of any political party or organization that advocates the over throw of the government of the United States or of this State by force or violence. So help me God. "

(Neb. Rev. Stat. §11-101)

SECTION 1-105: CONFLICT OF INTEREST

A. For purposes of this section, "officer" shall mean:

1. Any member of any board or commission of the City;
2. Any appointed official if such official (a) serves on a board or commission which spends and administers its own funds and (b) is dealing with a contract made by such board or commission; or
3. Any elected municipal official.

Unless specified otherwise, volunteer firefighters and ambulance drivers shall not be considered officers for purposes of this section with respect to their duties as firefighters and ambulance drivers.

B. No officer of the City shall be permitted to benefit from any contract to which the City is a party. The existence of such an interest in any contract renders the contract voidable by decree of a court of competent jurisdiction as to any person who entered into the contract or took assignment thereof with actual knowledge of the prohibited conflict. An action to have a contract declared void under this section may be brought by the City or by any resident thereof and must be brought within one year after the contract is signed or assigned. Any such decree may provide for the reimbursement of any person for the reasonable value of all money, goods, material, labor, or services furnished under the contract to the extent that the City has benefited thereby. The prohibition in this section shall apply only when the officer or his or her parent, spouse, or child:

1. Has a business with which the individual is associated or business association which shall mean a business: (a) in which the individual is a partner, director, or officer or (b) in which the individual or a member of the individual's immediate family is a stockholder of a closed corporation stock worth \$1,000.00 or more at fair market value or which represents more than 5% equity interest, or is a stockholder of publicly traded stock worth \$10,000.00 or more at fair market value or which represents more than 10% equity interest or

2. Will receive a direct pecuniary fee or commission as a result of the contract; provided, however, if such officer (a) is an employee of the business involved in the contract and (b) has no ownership interest or will not receive a pecuniary fee, such officer shall not be deemed to have an interest within the meaning of this section.

C. The provisions of this section shall not apply if the interested officer:

1. Makes a declaration on the record to the governmental body responsible for approving the contract regarding the nature and extent of his/her interest, prior to official consideration of the contract;
2. Does not vote on the matter of granting the contract, except that if the number of members of the body declaring an interest in the contract would prevent the body, with all members present, from securing a quorum on the issue, then all members may vote on the matter; and
3. Does not act for the governmental body as to inspection or performance under the contract in which he/she has an interest.

D. The receiving of deposits, cashing of checks, and buying and selling of warrants and bonds of indebtedness of any city by a financial institution shall not be considered a contract under the provisions of this section. The ownership of less than 5% of the outstanding shares of a corporation shall not constitute an interest within the meaning of this section. Notwithstanding the provisions of subsections (C) (1) through (3) above, if an officer's parent, spouse or child is an employee of the City, the officer may vote on all issues of the contract which are generally applicable to all employees or all employees within a classification and do not single out his/her parent, spouse, or child for special action. If an officer has the power to employ personnel and he/she hires his/her parent, spouse, or child, such officer shall disclose the hiring pursuant to subsections (E) (1) through (5) below, except that if the parent, spouse, or child is already employed in the position at the time the officer takes office and such position does not change, no disclosure need be made. Notwithstanding any other provision of this section, any contract entered into with an interested officer shall be subject to applicable competitive bidding requirements and shall be fair and reasonable to the City.

E. The city clerk shall maintain, separately from other records, a ledger containing the information listed in subsections (1) through (5) of this section about every contract entered into by the City in which an officer has an interest as specified above for which disclosure is made as provided in subsections (C) (1) through (3) above. Such information shall be kept in the ledger for five years from the date of the officer's last day in office and shall include the:

1. Names of the contracting parties;
2. Nature of the interest of the officer in question;
3. Date that the contract was approved by the city involved;
4. Amount of the contract; and
5. Basic terms of the contract.

F. The information supplied relative to the contract shall be provided to the clerk not later than ten days after the contract has been signed by both parties. The ledger kept by the clerk shall be available for public inspection during the normal working hours

of the office in which it is kept.

G. An open account established for the benefit of any city or entity thereof with a business in which an officer has an interest shall be deemed a contract subject to the provisions of this section. The statement required to be filed pursuant to this section shall be filed within ten days after such account is opened. Thereafter, the clerk shall maintain a running account of all amounts purchased on the open account. Purchases made from petty cash or a petty cash fund shall not be subject to the provisions of this section.

H. Any officer who knowingly violates the provisions of Neb. Rev. Stat. §49-14,103.01 through 49-14,103.03, shall be guilty of a Class III misdemeanor. Any officer who negligently violates Neb. Rev. Stat. §49-14,103.01 through 49-14,103.03 shall be guilty of a Class V misdemeanor.

I. The City may enact ordinances exempting from the provisions of this section, contracts involving \$100.00 or less in which an officer may have an interest.

J. No officer, including volunteer firefighters and ambulance drivers, shall receive any pay or perquisites from the City other than his/her salary. The City Council shall not pay or appropriate any money or other valuable thing to pay a person who is not an officer for the performance of any act, service, or duty, which shall come within the proper scope of the duties of any officer of the City.

(Neb. Rev. Stat. §17-611, 18-305 through 18-312, 49-14,103.01 through 49-14,103.03, 70-624.04)

The mayor shall have the general and immediate control over all property and city officials, whether elected or appointed; preside at all meetings of the City Council and may vote when his/her vote shall be decisive and the Council is equally divided on any pending matter, legislation, or transaction and the mayor shall, for the purpose of such vote, be deemed

to be a member of the Council. His/her signature must appear on the city clerk's minutes of all meetings, and he/she must sign all resolutions which have been passed and warrants for the payment of money when ordered by the City Council; provided, any ordinance vetoed by the mayor may be passed over his/her veto by a two-thirds vote by the council members. If the mayor neglects or refuses to sign any ordinance and returns it to the Council with his/her objections in writing at the next regular council meeting, the same shall become a law without a signature. He/she shall from time to time communicate to the City Council such information and recommendations as, in his/her opinion, may improve the City. The mayor may require any city official to exhibit his accounts and make reports to the Council on any subject pertaining to that office. He/she shall have the power to remit fines or pardon any offense arising under the ordinances of the City and may remove at any time an appointed police officer of the City. The mayor's territorial authority shall extend over all places within five miles of the corporate limits of the City for the enforcement of any health ordinance, and one-half mile in all matters vested in him/her except taxation. He/she shall also have such other duties as the City Council may by resolution confer, or in any other matters which the laws of the State of Nebraska repose in him/her. (Neb. Rev. Stat. §17-110 thru 17-117)

SECTION 1-205: CITY COUNCIL; ORGANIZATION

City Council members shall take office and commence their duties on the first regular meeting in December following their election. The newly elected council members who have qualified as prescribed by law, together with the council members holding over, shall assemble in a regular meeting at the hour and place hereinafter prescribed and perfect the reorganization of the City Council as herein provided, and all appointive offices in which the terms of incumbents are expired shall be filled by appointment. After the said meeting has been called to order, the city clerk shall report to the Council the names of all council members-elect who have qualified for their respective offices, and

this report shall be spread upon the minutes of the meeting preceding the roll call. (Neb. Rev. Stat. §17-104)

SECTION 1-206: CITY COUNCIL; ACTING PRESIDENT

The City Council shall elect one of its own body each year who shall be styled the president of the Council and who shall preside at all meetings in the absence of the mayor. Both the president and the acting president of the Council, when occupying the position of the mayor, shall have the same privileges as the other members of the Council, and all acts of the president or acting president of the Council, while so acting, shall be as binding upon the City Council and upon the City as if done by the elected mayor. (Neb. Rev. Stat. §17-148)

SECTION 1-207: RESIGNATIONS

All resignations of mayor and council members shall be in writing and submitted to the City Council for acceptance. Resignations shall not be effective until accepted by formal action of the Council. No resignations shall be accepted unless a quorum for conducting business will remain after such acceptance.

SECTION 1-208: VACANCY

A. Every elective office shall be vacant upon the happening of any of the events specified in Neb. Rev. Stat. §32-560, except as provided in Neb. Rev. Stat. §32-561.

B. In the case of any vacancy in the office of mayor, or in case of his/her disability or absence, the president of the Council shall exercise the office of mayor for the unexpired term until such vacancy is filled or such disability is removed, or in case of temporary absence, until the mayor returns. If the president of the Council assumes the office of mayor for the unexpired term, there shall be a vacancy on the Council.

C. Except as otherwise provided in subsection (B), (E), or (F) of this section, vacancies in city elected offices shall be filled by the mayor and City Council for the balance of the unexpired term. Notice of a vacancy, except a vacancy resulting from the death of the incumbent, shall be in writing and presented to the Council at a regular or special meeting and shall appear as a part of the minutes of such meeting. The Council shall at once give public notice of the vacancy by causing to be published in a newspaper of general circulation within the City or by posting in three public places in the City the office vacated and the length of the unexpired term.

D. The mayor shall, within four weeks after the meeting at which such notice of vacancy has been presented or upon the death of the incumbent, call a special meeting of the Council or place the issue of filling such vacancy on the agenda at the next regular meeting, at which time the mayor shall submit the name of a qualified registered voter to fill the vacancy for the balance of the unexpired term. The Council shall vote upon such nominee, and if a majority votes in favor of such nominee, the vacancy shall be declared filled. If the nominee fails to receive a majority of the votes, the nomination shall be rejected and the mayor shall, at the next regular or special meeting, submit the name of another qualified registered voter to fill the vacancy. If the subsequent nominee fails to receive a majority of the votes, the mayor shall continue at such meeting to

submit the names of qualified registered voters in nomination and the council members shall continue to vote upon such nominations until the vacancy is filled. The mayor shall cast his/her vote for or against the nominee in the case of a tie vote of the Council. All council members present shall cast a ballot for or against the nominee. Any member of the Council who has been appointed to fill a vacancy shall have the same rights, including voting, as if such person were elected.

E. The mayor and City Council may, in lieu of filling a vacancy in an elected office as provided in subsection (C) of this section, call a special city election to fill such vacancy.

F. If vacancies exist in the offices of a majority of the City Council members, the secretary of state shall conduct a special city election to fill such vacancies.
(Neb. Rev. Stat. §32-560, 32-561, 32-568(4) and 32-569) (Am. by Ord. No. 02-05, 5/14/02)

SECTION 1-209: SUCCESSION OF CONTROL

In order to designate the succession of control of the City and to declare and control a disaster or emergency when the mayor is not present or is unable to act as the principal executive officer of the City, then the following is the procedure used to determine who is next in line to fulfill those duties and responsibilities:

A. If the mayor is not present or is incapable of performing his/her duties in order to declare a disaster or emergency and/or act as principal executive officer in a disaster or emergency situation, then the president of the City Council shall perform those functions and duties.

B. Should the president of the Council not be present or be unable to perform those functions and duties, then the next most senior elected official shall perform those duties and functions.

C. The line of succession for the remaining elected officials shall follow by seniority from the date originally elected. If more than one council member has the same date of seniority, then the most senior in age shall assume control.

The salaries of appointive and elective offices of this city shall be neither increased nor decreased during the term for which elected or appointed except by merger of offices or when there are other officers elected or appointed to the Council and the terms of one or more members commence and end at different times. The compensation of all members of such council may be increased or diminished at the beginning of the full term of any member thereof. All salaries shall be set by ordinance and will be available for public inspection at the office of the city clerk, and all such salaries shall be published as provided by law.

B. No person who shall have resigned or vacated any office shall be eligible to the same during the time for which he/she was elected or appointed, if during the same time the emoluments thereof have been increased. In addition to the salaries herein provided, the various officers shall be entitled to mileage and expenses if and when claims therefore are filed, audited and allowed. The mayor and Council may by resolu-

tion authorize clerical assistance in one or more offices when the same may be needed, and claims therefore out of the proper funds may be presented, allowed, audited and paid. All fees earned by an officer of this city in the performance of his/her duties as such shall be considered the property of the City and shall be promptly paid over to the city treasurer and credited to the appropriate fund.

The mayor elected for the new municipal year shall call the meeting to order. The Council shall then proceed to examine the credentials of its members and other elective officers of the City to see that each has been duly and properly elected, and to see that such oaths and bonds have been given as are required. After ascertaining that all members are duly qualified, the Council shall then elect one of its own body who shall be styled as "president of the Council." The mayor shall then nominate his candidates for appointive offices. He shall then proceed with the regular order of business.

Notice of a special meeting need not be given to a council member known to be out of the state or physically unable to be present. A majority of the members of the City Council shall constitute a quorum for the transaction of business, but a smaller number may adjourn from day to day and compel the attendance of the absent members. Whether a quorum is present or not, all absent members shall be sent for and compelled to attend.

B. At the hour appointed for the meeting, the city clerk shall proceed to call the roll of members and announce whether a quorum is present. If a quorum is present, the Council shall be called to order by the mayor, if present, or by the president of the Council if the mayor is absent. Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as:

1. Strategy sessions with respect to collective bargaining, real estate purchases, or litigation;

The meeting shall be reconvened in open session before any formal action may be taken.

D. Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (1) the protection of the public interest or (2) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

E. Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, nor shall a public body designate itself a subcommittee of the whole body for the purpose of circumventing the provisions of this article, nor shall any closed session, informal meeting, chance meeting, social gathering, or electronic communication be used for the purpose of circumventing the provisions of this article. The provisions of this article shall not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened and there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

(Neb. Rev. Stat. §84-1410)

Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted, or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by the City's utilization of an electronic voting device which allows the yeas and nays of each member of the City Council to be readily seen by the public. The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes. (Neb. Rev. Stat. §17-616, 84-1413) (Am. by Ord. No. 96-3, 2/22/96)

Such motion must be made by one of the prevailing side, but may be seconded by any member, and may be made at any time and have precedence over all other motions or while a member has the floor and it shall be debatable. Nothing in this subsection shall be construed to prevent any council member from making or remaking the same or any other motion at a subsequent meeting of the Council.

H. *When Remarks of Council Member Entered in Minutes.* A council member may request, through the mayor, the privilege of having an abstract of his/her statement on any subject under consideration by the Council entered in the minutes. If the official does not resign within five days after receiving the notice, the Council shall order an election to be held not less than 30 nor more than 45 days after the expiration of the five-day period, except that if any other election is to be held in the city within 90 days of the expiration of the five-day period, the Council shall provide for the holding of the removal election on the same day. After the Council sets the date for the recall election, the recall election shall be held regardless of whether the official whose removal is sought resigns before the recall election is held. (Neb. Rev. Stat. §32-1306)

M. The form of the official ballot at a recall election shall conform to the requirements of Neb. Rev. Stat. §32-1307.

N. If a majority of the votes cast at a recall election are against the removal of the official named on the ballot or the election results in a tie, the official shall continue in office for the remainder of his or her term but may be subject to further recall attempts as provided in subsection (S) of this section.

O. If a majority of the votes cast at a recall election are for the removal of the official named on the ballot, he/she shall, regardless of any technical defects in the recall petition, be deemed removed from office unless a recount is ordered. If the official is deemed removed, the removal shall result in a vacancy in the office, which shall be filled as otherwise provided in this section and state law.

P. If the election results show a margin of votes equal to 1% or less between the removal or retention of the official in question, the secretary of state, election commissioner or county clerk shall order a recount of the votes cast unless the official named on the ballot files a written statement with the election commissioner or county clerk that he/she does not want a recount.

Q. If there are vacancies in the offices of a majority or more of the members of the City Council at one time due to the recall of such members, a special election to fill such vacancies shall be conducted as expeditiously as possible by the secretary of state, election commissioner, or county clerk.

R. No official who is removed at a recall election or who resigns after the initiation of the recall process shall be appointed to fill the vacancy resulting from his/her removal or the removal of any other member of the same City Council during the remainder of his or her term of office. (Neb. Rev. Stat. §32-1308)

S. No recall petition shall be filed against an elected official within 12 months af-

ter a recall election has failed to remove him/her from office or within six months after the beginning of his/her term of office or within six months prior to the incumbent filing deadline for the office.

(Neb. Rev. Stat. §32-1309) (Am. by Ord. No. 04-12, 11/9/04)

Article 7 – Fiscal Management

SECTION 1-701: FISCAL YEAR

The fiscal year of the City and any public utility of the City commences on October 1 and extends through the following September 30, except as provided in the Municipal Proprietary Function Act. (Neb. Rev. Stat. §17-701) (Am. by Ord. No. 96-4, 2/22/96)

SECTION 1-702: DEPOSIT OF FUNDS

A. The city treasurer shall deposit and at all times keep on deposit for safekeeping in banks, capital stock financial institutions or qualifying mutual financial institutions of approved and responsible standing all money collected, received, or held by him/her as city treasurer. Such deposits shall be subject to all regulations imposed by law or adopted by the City Council for the receiving and holding thereof. The fact that a stockholder, director, or other officer of such bank, capital stock financial institution, or qualifying mutual financial institution is also serving as mayor, as a member of the City Council, or as any other officer of the city shall not disqualify such bank, capital stock financial institution, or qualifying mutual financial institution from acting as a depository for such municipal funds.

B. The City Council shall require from all banks, capital stock financial institutions, or qualifying mutual financial institutions a bond in such penal sum as may be the maximum amount on deposit at any time less the amount insured by the Federal Deposit Insurance Corporation or, in lieu thereof, security given as provided in the Public Funds Deposit Security Act to secure the payment of all such deposits and accretions. The City Council shall approve such bond or giving of security. The city treasurer shall not be liable for any loss of any money sustained by reason of the failure of any such depository so designated and approved. (Neb. Rev. Stat. §17-607)

C. The insurance afforded to depositors in banks, capital stock financial institutions, or qualifying mutual financial institutions through the Federal Deposit Insurance Corporation shall be deemed and construed to be a surety bond to the extent that the deposits are insured by such corporation, and for deposits so insured, no other surety bond or other security shall be required. (Neb. Rev. Stat. §77-2362)

D. Neb. Rev. Stat. §77-2366 shall apply to deposits in capital stock financial institutions. Neb. Rev. Stat. §77-2365.01 shall apply to deposits in qualifying mutual financial institutions. (Neb. Rev. Stat. §17-607, 77-2362)
(Am. by Ord. No. 04-13, 11/9/04)

SECTION 1-703: INVESTMENT OF FUNDS

Whenever a city has accumulated a surplus of any fund in excess of its current needs or has accumulated a sinking fund for the payment of its bonds and the money in such sinking fund exceeds the amount necessary to pay the principal and interest of any

such bonds which become due during the current year, the City Council may invest any such surplus in certificates of deposit, in time deposits, and in any securities in which the state investment officer is authorized by law and as provided in the authorized investment guidelines of the Nebraska Investment Council in effect on the date the investment is made. (Neb. Rev. Stat. §17-608, 17-609, 21-1316.01, 77-2341) (Am. by Ord. No. 99-2, 1/11/90)

SECTION 1-704: CLAIMS

All claims against the City shall be presented to the City Council in writing with a full account of the items, and no claim or demand shall be audited or allowed unless presented as provided for in this section. No costs shall be recovered against the City in any action brought against it for an unliquidated claim which has not been presented to the City Council to be audited, nor upon claims allowed in part, unless the recovery shall be for a greater sum than the amount allowed, with the interest due. No order or warrant shall be drawn in excess of 85% of the current levy for the purpose for which it is drawn unless there shall be sufficient money in the city treasury for the appropriate fund against which it is to be drawn; provided, in the event there exists obligated funds from the federal and/or state government for the general purpose of such warrant, then such warrant may be drawn in excess of 85%, but not more than 100% of the current levy for the purpose for which said warrant is drawn. (Neb. Rev. Stat. §17-714, 17-715)

SECTION 1-705: WARRANTS

All warrants drawn upon the city treasury must be signed by the mayor and countersigned by the city clerk, stating the particular fund to which the warrant is chargeable, the person to whom it is payable, and the purpose of the expenditure. No money shall be otherwise paid than upon warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for the fund upon which it is drawn, and the amount already expended of such fund. (Neb. Rev. Stat. §17-711)

SECTION 1-706: EXPENDITURES

No city official shall have the power to appropriate, issue, or draw any order or warrant on the city treasury for money unless the same has been appropriated or ordered by ordinance. No expenditure for any improvement to be paid for out of the general fund of the City shall exceed in any one year the amount provided for that improvement in the adopted budget statement. (Neb. Rev. Stat. §17-708)

SECTION 1-707: BOND ISSUES

The City Council may, after meeting all the requirements of state law, issue bonds, fund bonds, and retire bonds for such purposes as may be permitted by state law. The Council shall have the authority to levy special assessments for the payment of interest and principal on such bonds and may spread the payments up to the maximum number of years permitted by state law. (Neb. Rev. Stat. §10-201 through 10-411, 10-601 through 10-614, 12-1001, 17-529.01, 17-529.08, 17-534, 17-905, 17-908, 17-911, 17-939, 17-958, 17-968, 18-1801 through 18-1805, 23-343.13, 39-836)

SECTION 1-708: SINKING FUNDS

A. The City Council, subject to the limitations set forth herein, shall have the

power to levy a tax not to exceed that prescribed by state law upon the assessed value of all taxable property within the City for a term not to exceed that prescribed by state law in addition to the amount of tax which may be annually levied for the purpose of the adopted budget statement of the City or for the purpose of establishing a sinking fund for the construction, purchase, improvement, extension, or repair of the approved uses as authorized by state law. To initiate the said sinking fund, the City Council shall declare its purpose by resolution to submit to the qualified electors of the City the proposition to provide the improvement at the next general city election. The resolution shall set forth the improvement, the estimated cost, the amount of the annual levy, the number of years required to provide the required revenue, the name of the sinking fund proposed, and the proposition as it will appear on the ballot.

B. Notice of the said proposition shall be published in its entirety three times on successive weeks before the day of the election in a legal newspaper of general circulation in the City. The sinking fund may be established after the election if a majority or more of the legal votes were in favor of the establishment of the fund. The City Council may then proceed to establish the said fund in conformity with the provisions of the proposition and applicable state law. The funds received by the city treasurer shall, as they accumulate, be immediately invested with the written approval of the City Council in the manner provided by state law. No sinking fund so established shall be used for any purpose or purposes contrary to the purpose as it appeared on the ballot unless the City Council is authorized to do so by 60% of the qualified electors of the City voting at a general election favoring such a change in the use of the sinking fund.

(Neb. Rev. Stat. §19-1301 through 19-1304, 77-2337, 77-2339)

SECTION 1-709: TRANSFER OF FUNDS

A. Whenever during the current fiscal year it becomes apparent due to unforeseen emergencies that there is temporarily insufficient money in a particular fund to meet the requirements of the adopted budget of expenditures for that fund, the City Council may, by a majority vote, transfer money from other funds to such fund. No expenditure during any fiscal year shall be made in excess of the amounts indicated in the adopted budget statement except as authorized herein. If, as the result of unforeseen circumstances, the revenue of the current fiscal year shall be insufficient, the City Council may propose to supplement the previously adopted budget statement and shall conduct a public hearing, at which time any taxpayer may appear or file a written statement protesting the application for additional money. A written record shall be kept of any such hearing.

B. Notice of the place and time for the said hearing shall be published at least five days prior to the date set for the hearing in a newspaper of general circulation in the City. The published notice shall set forth the time and place of the proposed hearing, the amount of additional money required, the purpose of the required money, a statement stating the reasons why the adopted budget of expenditures cannot be reduced to meet the need for additional money, and a copy of the summary of the originally adopted budget previously published.

C. Upon the conclusion of the public hearing on the proposed supplemental budget and approval by the City Council, said board shall file with the county clerk and the state auditor a copy of the supplemental budget and shall certify the amount of additional tax to be levied. The Council may then issue warrants in payment for expenditures authorized by the adopted supplemental budget. The said warrants shall be re-

ferred to as "registered warrants" and shall be repaid during the next fiscal year from funds derived from taxes levied therefor.

(Neb. Rev. Stat. §13-510, 13-511)

SECTION 1-710: SPECIAL ASSESSMENT FUND

All money received on special tax assessments shall be held by the city treasurer as a special fund to be applied to the payment of the improvement for which the assessment was made, and such money shall be used for no other purpose unless to reimburse the City for money expended for any such improvement. (Neb. Rev. Stat. §17-710)

SECTION 1-711: CONTRACTS

A. The City Council shall, before making any contract in excess of \$30,000.00 as estimated by the city engineer for general improvements such as water extensions, sewers, public heating system, bridges, or work on streets, or any other work or improvement where the cost of such improvement shall be assessed to the property, advertise for bids, unless such contract shall be entered into for the benefit of the city electric utility.

B. The City's electric utility may enter into a contract for the enlargement or improvement of the electric system or for the purchase of equipment used for such enlargement or improvement without advertising for bids if the price is:

1. \$30,000.00 or less;
2. \$60,000.00 or less and the municipal electric utility has gross annual revenue from retail sales in excess of \$1 million;
3. \$90,000.00 or less and the municipal electric utility has gross annual revenue from retail sales in excess of \$5 million; or
4. \$120,000.00 or less and the municipal electric utility has gross annual revenue from retail sales in excess of \$10 million.

In advertising for bids for any such work, or for the purchase of such equipment, the City Council may cause the amount of such estimate to be published therewith.

C. Such advertisement shall be published once each week for three consecutive weeks in a legal newspaper of general circulation in the City, or by posting a written or printed copy thereof in each of three public places in the City; provided, in case of a public emergency resulting from infectious or contagious diseases, destructive windstorms, floods, snow, an exigency or pressing necessity or unforeseen need calling for immediate action or remedy to prevent a serious loss of, or serious injury or damage to life, health, or property, or war, estimates of costs and advertising for bids may be waived in the emergency ordinance when adopted by a three-fourths vote of the City Council.

D. If, after advertising for bids as provided in this section, the City Council receives fewer than two bids on a contract for services, material, or labor, or if the bids received by the City Council contain a price which exceeds the estimated cost of the project, the Council shall have the authority to negotiate a contract for services, material, or labor in an attempt to complete the proposed project at a cost commensurate with the estimate given.

E. If the materials are of such a nature that, in the opinion of the manufacturer and with the concurrence of the City Council or Board of Public Works no cost can be estimated until the materials have been manufactured or assembled to the specific qualifications of the purchasing city, the City Council or Board of Public Works may authorize the manufacture and assemblage of such materials and may thereafter approve the estimated cost expenditure when it is provided by the manufacturer.

F. The city bidding procedure shall be waived when materials or equipment are purchased at the same price and from the same seller as materials or equipment which have formerly been obtained pursuant to the state bidding procedure.
(Neb. Rev. Stat. §17-568.01, 17-613)

SECTION 1-712: ANNUAL AUDIT; FINANCIAL STATEMENTS

A. The City Council shall cause an audit of the city accounts to be made by a qualified accountant as expeditiously as possible following the close of the fiscal year. Such audit shall be made on a cash or accrual method at the discretion of the City Council. The said audit shall be completed, and the annual audit report made not later than six months after the close of the fiscal year. The accountant making the audit shall submit not less than three copies of the audit report to the City Council. All public utilities or other enterprises which substantially generate their own revenue shall be audited separately and the results of such audits shall appear separately in the annual audit report. Such audits shall be on an accrual basis and shall contain statements and materials which conform to generally accepted accounting principles. The audit report shall set forth the financial position and results of financial operations for each fund or group of accounts of the City as well as an opinion by the accountant with respect to the financial statements.

B. Two copies of the annual audit report shall be filed with the city clerk and shall become a part of the public records of the city clerk's office, thereafter open for public inspection during office hours. One copy shall be filed with the auditor of public accounts. The City Council shall provide and file with the city clerk, not later than August 1 of each year, financial statements showing its actual and budgeted figures for the most recently completed fiscal year.
(Neb. Rev. Stat. §19-2901 through 19-2909, 13-606)

SECTION 1-713: BUDGET STATEMENT; APPROPRIATIONS

The City Council shall adopt a budget statement pursuant to the Nebraska Budget Act, to be termed "The Annual Appropriation Bill," in which are appropriated such sums of money as may be deemed necessary to defray all necessary expenses and liabilities of the City. (Neb. Rev. Stat. §17-706) (Am. by Ord. No. 96-6, 2/22/96)

SECTION 1-714: BUDGET MANUAL; INCORPORATED BY REFERENCE

The *Manual of Instructions for City/Village: Budgets*, prepared by the state auditor of public accounts, is incorporated by reference for the purpose of proper budget preparation.

SECTION 1-715: PROPOSED BUDGET STATEMENT

A. The City Council shall, not later than August 1 of each year on forms pre-

scribed and furnished by the state auditor, prepare in writing and file with the city clerk a proposed budget statement containing the following:

1. For the immediate two prior fiscal years, the budgeted revenue and expenditures from all sources, separately stated as to each such source, and for each fund the budgeted unencumbered cash balance of such fund at the beginning of each fiscal year;
2. For the current fiscal year, the budgeted revenue and expenditures from all sources, separately stated as to each such source, and for each fund the budgeted unencumbered cash balance of such fund at the beginning of the year. Such statement shall contain the cash reserve for each such fund for each fiscal year. Such cash reserve projections shall be based upon the actual experience of prior years. The cash reserve shall not exceed 50% of the total budget adopted for such fund, exclusive of capital outlay items; and
3. For the immediate ensuing fiscal year, the budget statement should include an estimate of the non-tax revenue from each source and which fund it is to be allocated to, the actual or estimated unencumbered cash balance for each fund which will be available at the beginning of the next fiscal year, amounts proposed to be expended during the year, and the amount of cash reserve, which shall not exceed 50% of the total budget adopted, exclusive of capital outlay items.

B. The estimated expenditures plus the required cash reserve for the ensuing fiscal year less all estimated and actual unencumbered balances at the beginning of the year and less the estimated income from all sources other than taxation shall equal the amount to be received from taxes, and such amount shall be shown on the proposed budget statement filed pursuant to this section. The amount to be raised from taxation, as determined herein, plus the estimated revenue from sources other than taxation and the unencumbered balances shall equal the estimated expenditures plus the required cash reserve for the ensuing year.

(Neb. Rev. Stat. §13-504, 13-505)

SECTION 1-716: BUDGET STATEMENT; HEARING

Subsequent to the filing of the proposed budget statement, the City Council shall publish a proposed budget and conduct a public hearing on the proposed budget statement. Notice of the place and time of the said hearing, as well as a copy of the proposed budget, shall be published at least five days prior to the date set for the hearing in a newspaper of general circulation in the City. After such hearing, the statement shall be adopted, or amended, and adopted as amended, and a written record shall be made of such hearing. If the adopted budget statement reflects a change from that shown in the published proposed budget statement, a summary of such changes shall be published within 20 days after its adoption. (Neb. Rev. Stat. §13-506)

SECTION 1-717: BUDGET STATEMENT; FILING

The City Council shall file with and certify to the levying board on or before September 20 each year and file with the state auditor a copy of the adopted budget statement, together with the amount of tax to be levied and proof of publication. The City Council

shall not certify any tax that exceeds the maximum levy prescribed by state law; provided, in certifying the amount to be so levied, allowance may be made for delinquent taxes not exceeding 5% of the amount to be levied plus the actual percentage of delinquent taxes for the preceding tax year. (Neb. Rev. Stat. §13-508) (Am. by Ord. No. 96-5, 2/22/96)

SECTION 1-718: ALL-PURPOSE LEVY; EXTRAORDINARY LEVY

The City Council has determined that the amount of money to be raised by taxation shall be certified to the county clerk in the form of one all-purpose levy instead of certifying a schedule of levies for specific purposes added together. Said all-purpose levy shall not exceed an annual levy of \$1.05 on each \$100.00 upon the actual valuation of all taxable property in the City, except intangible property. Otherwise authorized extraordinary levies to service and pay bonded indebtedness of the City may be made in addition to the all-purpose levy. (Neb. Rev. Stat. §19-1309)

SECTION 1-719: ALL-PURPOSE LEVY; ALLOCATION

The City Council shall allocate the amount raised by the all-purpose levy to the several departments of the City in its annual budget and appropriation ordinance, or in other legal manner, as the Council shall deem best. (Neb. Rev. Stat. §19-1310)

SECTION 1-720: PROPERTY TAX LEVY AND REQUEST; PROCEDURE

A. The property tax request for the prior year shall be the property tax request for the current year for purposes of the levy set by the County Board of Equalization in Neb. Rev. Stat. §77-1601 unless the City Council passes by a majority vote a resolution or ordinance setting the tax request at a different amount. Such resolution or ordinance shall only be passed after a special public hearing called for such purpose is held and after notice is published in a newspaper of general circulation in the City at least five days prior to the hearing.

B. The hearing notice shall contain the following information: (1) The dollar amount of the prior year's tax request and the property tax rate that was necessary to fund that tax request; (2) the property tax rate that would be necessary to fund last year's tax request if applied to the current year's valuation; and (3) the proposed dollar amount of the tax request for the current year and the property tax rate that will be necessary to fund that tax request.

C. Any resolution setting a tax request under this section shall be certified and forwarded to the county clerk on or before October 13 of the year for which the tax request is to apply.

D. Any levy which is not in compliance with this section and Neb. Rev. Stat. §77-1601 shall be construed as an unauthorized levy under Neb. Rev. Stat. §77-1606. (Neb. Rev. Stat. §77-1601.02)

SECTION 1-721: PROPERTY TAX LEVY; MAXIMUM; AUTHORITY TO EXCEED

A. Property tax levies for the support of the City for fiscal years beginning on or after July 1, 1998, shall be limited to the amounts set forth in this subsection, except as provided in subsection (C). The City may levy a maximum of \$0.45 per \$100.00 of taxable valuation of property subject to the levy, plus an additional \$0.05 per \$100.00 of

taxable valuation to provide financing for the City's share of revenue required under an agreement or agreements executed pursuant to the Inter-local Cooperation Act or the Joint Public Agency Act. The maximum levy shall include amounts levied to pay for sums to support a library pursuant to Neb. Rev. Stat. §51-301; museum pursuant to Neb. Rev. Stat. §51-401; visiting community nurse, home health nurse, or home health agency pursuant to Neb. Rev. Stat. §71-1637; or statue, memorial, or monument pursuant to Neb. Rev. Stat. §80-202. Property tax levies for any judgment obtained against the City, except judgments or orders from the Commission of Industrial Relations, which require or obligate the City to pay such judgment, to the extent such judgment is not paid by liability insurance coverage of the City, for pre-existing lease-purchase contracts approved prior to July 1, 1998, for bonded indebtedness approved according to law and secured by a levy on property, and for payments by a public airport to retire interest-free loans from the Department of Aeronautics in lieu of bonded indebtedness at a lower cost to the public airport, are not included in the levy limits established by this subsection. The limitations on tax levies provided in this subsection are to include all other general or special levies provided by law. Notwithstanding other provisions of law, the only exceptions to the limits in this subsection are those provided by or authorized by this section. Tax levies in excess of the limitations in this section shall be considered unauthorized levies under Neb. Rev. Stat. §77-1606 unless approved under subsection (C). (Neb. Rev. Stat. §77-3443)

B. All city airport authorities established under the Cities Airport Authorities Act, community redevelopment authorities established under the Community Development Law, and off-street parking districts established under the Off-Street Parking District Act may be allocated property taxes as authorized by law which are authorized by the City and are counted in the municipal levy limit provided by subsection (A), except that such limitation shall not apply to property tax levies for pre-existing lease-purchase contracts approved prior to July 1, 1998, for bonded indebtedness approved according to law and secured by a levy on property, and for payments by a public airport to retire interest-free loans from the Department of Aeronautics in lieu of bonded indebtedness at a lower cost to the public airport. For off-street parking districts established under the Off-Street Parking District Act, the tax shall be counted in the allocation by the City proportionately, by dividing the total taxable valuation of the taxable property within the district by the total taxable valuation of the taxable property within the City, multiplied by the levy of the district. The City Council shall review and approve or disapprove the levy request of the political subdivisions subject to this subsection. The Council may approve all or a portion of the levy request and may approve a levy request that would allow a levy greater than that permitted by law. The levy allocated by the City may be exceeded as provided in subsection (F).

C. On or before August 1, all political subdivisions subject to municipal levy authority under this subsection shall submit a preliminary request for levy allocation to the City Council. The preliminary request of the political subdivision shall be in the form of a resolution adopted by a majority vote of members present of the governing body of the political subdivision. The failure of a political subdivision to make a preliminary request shall preclude such political subdivision from using procedures set forth in Neb. Rev. Stat. §77-3444 to exceed the final levy allocation as determined in this subsection.

D. The City Council shall adopt a resolution by a majority vote of members present, which determines a final allocation of levy authority to its political subdivisions and forward a copy of such resolution to the chairperson of the governing body of each of its political subdivisions.

E. No final levy allocation shall be changed after September 1 except by agreement between both the City Council and the governing body of the political subdivision whose final levy allocation is at issue. (Neb. Rev. Stat. §77-3443)

F. The City may exceed the limits provided in subsection (A) by an amount not to exceed a maximum levy approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to exceed the limits must be approved prior to October 10 of the fiscal year which is to be the first to exceed the limits.

G. The City Council may call for the submission of the issue to the voters (1) by passing a resolution calling for exceeding the limits by a vote of at least two-thirds of the members of the Council and delivering a copy of the resolution to the county clerk or election commissioner of every county which contains all or part of the City; or (2) upon receipt of a petition by the county clerk or election commissioner of every county containing all or part of the City, requesting an election, signed by at least 5% of the registered voters residing in the City.

H. The resolution or petition shall include the amount of levy which would be imposed in excess of the limits provided in subsection (A) and the duration of the excess levy authority, which shall not be more than five years. Any resolution or petition calling for a special election shall be filed with the county clerk or election commissioner no later than 30 days prior to the date of the election, and the time of publication and providing a copy of the notice of election required in Neb. Rev. Stat. §32-802 shall be no later than 20 days prior to the election.

I. The county clerk or election commissioner shall place the issue on the ballot at an election as called for in the resolution or petition which is at least 30 days after receipt of the resolution or petition. The election shall be held pursuant to the Election Act. For petitions filed with the county clerk or election commissioner on or after May 1, 1998, the petition shall be in the form as provided in Neb. Rev. Stat. §32-32-628 through 32-631.

J. Any approved excess levy authority shall terminate pursuant to its terms on a vote of the City Council to terminate the authority to levy more than the limits, at the end of the fourth fiscal year following the first year in which the levy exceeded the limit, or as provided in subsection (H), whichever is earliest.

K. The City Council may pass no more than one resolution calling for an election during any one calendar year. Only one election may be held in any one calendar year pursuant to a petition initiated. The ballot question may include any terms and conditions set forth in the resolution or petition and shall include the language specified in Neb. Rev. Stat. §77-3444.

L. If a majority of the votes cast upon the ballot question are in favor of such tax, the County Board shall authorize a tax in excess of the limits in subsection (A), but such tax shall not exceed the amount stated in the ballot question. If a majority of those voting on the ballot question are opposed to such tax, the City Council shall not impose such tax.

M. The City may rescind or modify a previously approved excess levy authority

prior to its expiration by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to rescind or modify must be approved prior to October 10 of the fiscal year for which it is to be effective.

N. The City Council may call for the submission of the issue to the voters by passing a resolution calling for the rescission or modification by a vote of at least two-thirds of the members of the City Council and delivering a copy of the resolution to the county clerk or election commissioner; or upon request of a petition by the county clerk or election commissioner requesting an election, signed by at least 5% of the registered voters residing in the City.

O. The resolution or petition shall include the amount and the duration of the previously approved excess levy authority and a statement that either such excess levy authority will be rescinded or such excess levy authority will be modified. If the excess levy authority will be modified, the amount and duration of such modification shall be stated. The modification shall not have duration greater than five years. The county clerk or election commissioner shall place the issue on the ballot at an election as called for in the resolution or petition which is at least 30 days after receipt of the resolution or petition, and the time of publication and providing a copy of the notice of election required in Neb. Rev. Stat. §32-802 shall be no later than 20 days prior to the election. The election shall be held pursuant to the Election Act.
(Neb. Rev. Stat. §77-3444)

SECTION 1-722: INADEQUATE VALUATION

If the valuation of the City has been reduced so that the maximum levy permitted by this article is inadequate to produce the necessary revenue, said maximum levy may be exceeded upon presentation to the City Council of petitions signed by a majority of the registered voters of the City requesting such action and specifying the extent to, and the period of time, not to exceed five years, in which such maximum may be exceeded. No signature may be withdrawn after the petitions have been filed with the City Council. The Council shall cause such petitions, accompanied by the certificate of the county clerk that he/she has examined the petitions and that they have been signed by a majority of the registered voters of the City, to be filed with the County Board. After such filing, the City Council may exceed the maximum mill levy to the extent and for the period of time specified in the petitions. (Neb. Rev. Stat. §19-1309)

SECTION 1-723: GENERAL PROPERTY TAX

The City Council shall cause to be certified to the county clerk the amount of tax to be levied upon the assessed value of all the taxable property of the City for the requirements of the adopted budget for the ensuing year, including all special assessments and taxes. The maximum amount of tax which may be certified and assessed shall not require a tax levy in excess of the legal maximum as prescribed by state law. (Neb. Rev. Stat. §17-702)

Article 8 – Penal Provision

SECTION 1-801: VIOLATION; PENALTY
