Voluntary Water Restriction

The City of Hickman is asking residents to **VOLUNTARILY** restrict their water usage until further notice due to dry hot weather. Residents are being urged to use the following water conservation techniques:

1. Water lawns every other day - Even numbered addresses should only water on even numbered days and odd numbered addresses should only water on odd number days.
2. Avoid watering outside between the hours of 8:00am-8:00pm due to significant evaporation rates.
3. Ensure water is not running onto the driveway, sidewalk, or street.

The City of Hickman appreciates the community's cooperation with this voluntary water restriction.
